[As of 31st of March 2015]

Forward Note:

I have written hundreds of sermons and replies to questions and concerns of JoS members over the years. Please excuse if some of these are repeated, as there are too many for me time-wise to keep up with and recheck, to see if they are already on other pdfs I uploaded. For those who are new "xian" = Christian. We X out the "christ" for obvious reasons. Regarding Biblical "Prophecies"

Something I need to bring to everyone's attention, especially for those who are new to Satanism is concerning biblical prophecies. Please read this and know it. I don't have the time right now to do any research on what I am going to write below, but I strongly suggest that any of you here who have any doubts and/or worries to do your own research. There are plenty of websites online where you can find proof.

There have always been "earthquakes" "pestilences" "famines" "plagues" and above all, weather disasters and related. I was just watching the news and the unusual warming in Alaska and the snowstorms in the Eastern US, etc., were highlighted. Back in 2008, given my own experience, I noted how the commentators for the Beijing Olympics stated several times how the Chinese were able to stop rain by controlling the weather, as no one wanted rain for the Olympic Games. They were successful.

Now, given the above, and how science has progressed and is now progressing at a rapid rate to where many are unable to even keep up with the plethora of technology, it is glaringly obvious that humanity has advanced to where the weather can be controlled. I also want to add here that the so-called "New World" being the Americas was not fully populated and did not have an extensive written history until give or take, some 400 years ago. Major earthquakes, droughts, hurricanes and other natural disasters were not recorded and did not factor in as they do today. This right here is major in the way of giving the amount of natural disasters and also, the media today is much more extensive in both covering this type of thing world-wide and in broadcasting it.

My point here is these natural disasters are NOT "An act of God." Scientists can now control the weather and even create this sort of thing. Scientists can create natural disasters and as most of us know, can create plagues and other biblical crap. Sadly, many followers/victims of Christianity, Islam and related are fooled into believing these events to be predictive of "the end" and this works well for the enemy in bringing in more victims to their nefarious program, due to a lack of knowledge.

The entire Judeo/Christian Bible is nothing more than a powerful subliminal. I have said time and again and will repeat myself for new people here: there is NOTHING SPIRITUAL about Christianity, Islam and their Jewish root, other than the Jewish root is in control and at the top, the Jews use occult power to keep these nefarious programs thriving. The Jews become "God" and as most of us are aware, they DICTATE. They are always telling us Gentiles what we are to do, what we should think, how we should think, what to believe and everything else. THE JEWS DICTATE. Idiots jump up and get to it. They readily carry out the orders given by their Jewish masters. The Judeo/Christian Bible is NOT a "Word of God"!

The book **"Eye to Eye: Facing the Consequences of Dividing Israel"** by **William Koenig** is very revealing, though the author himself [Christian] is very deluded. Anyone who is familiar with witchcraft and the workings of the mind and soul, rituals, etc., can see through this for what it is.

Many of these so-called "prophesies" were put into motion centuries ago BY HUMAN BEINGS. Christians and even more so, Muslims [as many Muslims are in third world countries where there is a high percentage of illiteracy] and have no knowledge of the workings of the mind and soul. Anyone who has any knowledge related to witchcraft in Muslim dominated countries is murdered if they are found out. As I stated many times before, Islam and Christianity are murder and death focused programs, that have their foundations built upon genocide, mass-murder, torture, death and living for one's death, destruction and violence. Nothing more. Everyone always has to be sorry. The biblical subliminal is everyone is born into "original sin" everyone is in debt and everyone owes. So, everyone must pay the Jew.

I remember seeing a movie a very long time ago "Little Odessa" where the Jewish father says to his son. "Rueben! Do your homework! Don't be like some dumb goy in our neighborhood!" "Dumb goy" They feel they have the right to slur Gentiles as they please. No one ever really says anything against these Jewish "masters."

Most of you already know, that is how they look at us- "stupid goyim." They feel they have a "God-given" RIGHT to dictate and tell us what to do and to use us as slaves and then throw us away. Disposable human beings.

Don't be an idiot. KNOW the truth. Take the time to study, learn, and find out about things. The only way a lie and hoax can be successful is if the victim/s do not know. Satan stands for knowledge. Don't be duped! Know how the Jews work. These so-called "prophesies" are also highlighted and promoted by the Jewish-run media, movies, books and TV shows to keep the subliminal going and to keep these lies alive and thriving, bringing in many more victims. The mass-mind is very powerful. The torah is the Jewish life-line and the Christianity and Islam programs for Gentiles are the bulwark in giving power, belief, and energy to the Jewish programs.

In addition to all of this, and my main point here for this article is; you think the Jewish scientists at the top aren't going to try to control the weather, create plagues, pandemics and natural disasters [which they now have the technology to do so] to make those biblical prophesies appear to be real?

They have controlled NASA for one, for decades. They work to control everything else, especially any program or organization of importance and influence, so go figure.

The sciences, advanced education and learning and everything else including sex, the Jew works to rot these out from the inside, turning a positive into a negative, tainting everything and abusing freedoms and everything else to destroy civilization and humanity. Everything intended to help is turned by the Jew to destroy and transformed into something nefarious and very ugly.

SATAN STANDS FOR KNOWLEDGE, EDUCATION AND ABOVE ALL.
SPIRITUAL LIBERATION AND INDIVIDUAL RIGHTS AND FREEDOMS!!!!

So, ask yourself, just what is so "evil" about wanting to be free? Many people are so indoctrinated; they can see the truth at all.

Just when I think I'm making progress, it seems like all the "what ifs" start to pop up into my head. It's really confusing. How can I be so close to freedom and yet so far away. It's been this way even before I dedicated myself. I don't understand how I can make contact with a demon and no harm comes to me, then the next time I try to summon, anxiety and fear that something bad is going to happen comes up out of nowhere, Then have no problems the next time I summon. I mean is it really as simple as deprogramming from Christianity or is it some kind of attack? What do I do?

MY REPLY:

Something I want to add to this thread, as there are people here who are new and others are still having problems. Most people are unaware of the extent of the mass mind and its influence. The Judeo/Christian and Muslim virus has infested and has been imbedded in the mass mind for centuries. This is all subliminal. In other words, your logical conscious mind is often not aware of it to the extent that it is there, but your subconscious mind and soul take this filth in. In addition to the extent it has infested and imbedded, it is relentlessly pushed and kept going by idiots world-wide. Take just one year for an example. Pagan holidays were hijacked. Millions were tortured and murdered [so much for the Christian lies of "love" and "peace" and "free will." Christianity has never been tolerant of any other beliefs, especially Paganism. As for the Jews whining about being "persecuted" by the Christians, this is another lie and what little they were was just for show. Catholic Popes during the inquisition ordered their inquisitors to "Leave the Jews alone."

Christianity has always been pushed [under threat of torture and death] onto the populace. In Japan, the Emperor kicked the Catholic Jesuits out of the country as they wanted to murder all of the Buddhists that would not convert. The Jesuits are another Jewish program and the Jews retaliated in 1945 with bombing Hiroshima and Nagasaki. Getting back to the year, what were once Pagan holidays and celebrations, all of this has been hijacked with the energies being directed into Judaism and Christianity. If you do some research, this is world-wide and in nearly every country, with the exception of Islamic countries and they do their own spiritual destruction and subliminal ugliness, infesting the mass mind with total rot. Also, in addition to the main holidays, there are other numerous dates where the Christians spew their filth. Take Spain for example, their huge celebration of "Holy Week" and then there is that "Pentecost" which was also hijacked and the list is extensive. Take all of that energy, along with the churches and their slavish worshipping fools, who work relentlessly for not only their own damnation and destruction, but also that of all of humanity and all life on this earth. They are too stupid and deluded to see this.

Then, there is the Jewish-controlled media. All the while the Jews pretend to be enemies of Christianity and persecuted by it. This is to fool the populace. Most

people actually believe these lies, while in truth, the Jews promote Christianity zealously behind the scenes, though they do so quietly and secretively, no different from those kosher symbols on our food bottles and jars, etc. Many TV shows and movies are steeped in Christianity. For example, many years ago, "Little House on the Prairie" was aired during what was called "family hour." It not only had heavy Christian themes, but with the Jewish knowledge of psychology, it combined those themes with strong emotional reactions that were intended to be deeply touching for the audience. This sort of thing is powerfully subliminal, especially when it affects more than one sense/emotion. Then, there was the family series "The Waltons." Same sort of Christian shit. I haven't watched any regular TV in probably more than 30 years, so this is going way back, but my point is, anyone here with even half a brain is aware of how the Jews control the media. Another one. the 1959 movie "Ben Hur." I heard there was a recent sequel, but I wouldn't waste my time. The music, that filthy Nazarene and all of the whole ball of subliminal crap intended to associate Christianity and its related themes in the average mind with profound tear-jerking and emotionally moving scenes. Few people would not be emotionally moved at the ending of that movie and the Jews who wrote and promoted this knew it. I also want to add, that movie was promoted for families and children saw it and it had bloody violence in it along with other unsavory content that was not suitable for children.

I also mentioned in my other sermons, I like to do crossword puzzles, as do other millions of people. It is glaringly obvious, most, if not all of the word and other puzzle books on the newsstand were authored and published by Jews. Most of these puzzles and even in your local newspaper have queries about that filthy bible. In other words, it is taken for granted that the populace is supposed to just know this shit, like it is common knowledge. How many of you can walk down an aisle in a market or store during the Yule season and hear instrumental xmas hymns and even though there may not be words in a particular hymn, how many of you know the lyrics by heart? This is the kind of crap I mean. It is and has been so infested and imbedded; most of us know the lyrics verbatim. The music alone is enough and before you know it, your mind pulls up the lyrics.

Then, for those of us who were forced to go to church when we were under-age, the embedded prayers. The robotic, stupid, meaningless trash that we had to memorize and repeat endlessly. Every stinking vile church service/mass is a repeat of the human blood living sacrifice of that foul Nazarene. It is so repetitive and purposely imbedded to no end. To add to this, most people are literally bored out of their minds and when dozing off or in a mentally receptive state, this psychological poison takes hold like hypnosis. That is where it really gets imbedded and even those with the lowest intelligence levels are very open and receptive as it is endlessly repetitive and reinforced. This is why this world is in the current state of depravity, the wars, the extreme suffering and every other ugly and negative thing. Individuals do not have to read the bible. All they have to do is to tie into that negative energy and it is embedded in the mass mind and right now, this earth is on the brink of disaster.

http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html

In addition to its being perpetuated by humanity, enemy aliens known as Greys who have a micro-chip implant, work relentlessly to push this malignant program. Many of us have been directly harassed by this alien degenerate scum spiritually on the astral. Christianity and its related lethal poisonous programs do NOT take "NO" for an answer. Just as humans who have been heavily infected with the Christian virus and tie into its energy have an obsessive/compulsive disorder when it comes to getting others to "accept Jesus" enemy spooks do the very same. Now that some level of Free-thought and freedom of religion have been established in most Western Developed countries, these alien spooks are working even harder in other ways to try to destroy it. Enemy spooks cannot refrain from harassing those of us who know the truth. I will tell you though, there does come a time when they will no longer try to deceive you with the Christian lies. That is when you know the truth 100%. Then, they resort to other tactics of harassment.

My advice to all of you who are having problems getting Christian, Muslim and related imbedded poison out of your minds is to study, study and do more studying. There are a load of sermons, articles and all kinds of reading material on the main Joy of Satan website, Satan's Library and Exposing Christianity.

If any of you are having reservations in regards to trying to call upon our original Gods [Demons], then my advice is to wait. There is no hurry. Clear your mind first and then and only when you feel completely relaxed and comfortable, you can go ahead with this. True Satanism is liberation and freedom, especially spiritual liberation and freedom. You only need to be yourself. Nothing is forced upon you. Be aware of and know this. Just be free. If there is something you are not completely comfortable with, then don't do it. Work on yourself and work on ridding your mind of that foul toxic Christian waste first and replace it with positive knowledge, positive thoughts, and a positive faith. Positive faith is NOT blind faith. Positive faith is faith in what you know to be true and faith in yourself to make the correct choices FREE OF COERSION AND ANY FEAR!

Why is There Suffering in the World? Satan Gives Answers

Unlike those so-called "Gods" that are false and worshipped by followers of the enemy programs, Satan gives us wisdom, knowledge and sensible answers. Christians and Muslims, being as deceived as they are, are at a loss to explain.

Most people wonder why there is so much suffering, misery and ugliness in this world. Thousands of years ago, there was a time called "The Golden Age." It was a time of peace, prosperity, and happiness. Humans in those days lived hundreds of years. Our Gods were with us as well. Ever since the coming of Christianity and Islam, everything beautiful and positive turned to ugliness and destruction.

Now, most of you here are familiar with the powers of the mind and soul and meditation. I remember many years ago when I was still an atheist, I was reading a book on chakras and the book instructed to "look" at each one of your chakras, of which I did and I got a shock that nearly knocked me off of the sofa. That freaked me out. Now, this was a result of focusing my attention. Most of you have had spiritual experiences where you have had similar occurrences. Just focusing on a chakra or another area of your soul and you find it is a very intense experience.

I wrote about this part before, but just look around you, everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea. This right here reveals the importance of one's thinking and one's mind. Those of you who have been meditating for any length of time know how important it is to try to focus on positive things, as focusing on destructive thoughts, needless worry, and negativity, with a strong mind and soul one will attract this.

The average person who does not meditate and who has a much weaker mind, where most thoughts tend to dissipate, alone does not have much power, but when combined with the mass mind of millions of other people who are focusing along the same lines, then thoughts do have much more power. I came across a book some 20 years ago [I can't remember the name of the book or the author], but I read it and the author had a technique where she could place her hands upon a book and subliminally absorb all of the information in that book. I also heard of where the same can be done in learning a foreign language. Most of you are familiar with the US \$20.00 bill and the 9-11 incident. I also wrote of this and how the "Holy Bible" factored in, as even more prevalent than the \$20.00 bill, there is a bible in nearly every home, in hospitals, hotel rooms, and in many other places.

The Holy Bible: A Book of Jewish Witchcraft

http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

Psychiatrists, psychologists and others who work with the human mind give certain tests like the Rorschach Ink Blot tests to probe into the minds of patients in order to ascertain what they dwell on and to determine their psychological make-up. Most people will see things in these ink blots according to what their own experiences in life have been and how they think, and what they dwell on.

Now, again, most of you here are even somewhat aware of the extent of the extreme negativity, and this is an understatement, contained in both the Bible and the Koran. In reading through scriptures for reverse Torah rituals, the curses against humanity are prolific to where one can't even begin to count them all. Curse after curse, after curse and the damnation and the most utter debased depravity. One does not have to read the Bible or the Koran cover to cover to be influenced by or to tie into the most hideous energy contained therein. Just focusing on this is enough, and by focusing, I mean attending church, and of course, Muslims "pray" 5 times a day, facing east in the direction that with the gravitational pull of the earth, amplifies energies.

So, just how much energy has been put into and is still being put into such extreme destruction and negativity? This has influenced this world and everything in it. Much of the populace is steeped in it, though lifetimes. One individual alone doesn't have too much power, but how about tens of millions? Most people aren't even aware of the subliminal. I like to do crossword puzzles and in nearly every book, they have the biblical crap. In other words, this is supposed to be common knowledge.

Wonder why there is so much fighting and family break-ups?

Luke 12:53

The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21

"Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death.

[This one is a given with Jewish communism, where many children were brainwashed into turning their parents over to the so-called "State" to be put to death].

Matthew 10:35

For I have come to turn "a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law-

The above is only a very small portion of where human focus and energies have been going for centuries. It doesn't matter whether a follower has read the Bible cover to cover or is even familiar with its contents [as most people who follow such depravity are not], he/she still connects with the energy and with more available information regarding the human mind, and one can see this is a fact. What one thinks, believes and the energies one ties into and identifies with determines what one is and where one is going in life. In addition, even those who reject the Christian and Islamic programs or who are non-believers are affected, as the mass mind is powerful enough to influence the world. The mass mind is more powerful.

Both with Christianity and Islam, the focus is on suffering and death. Followers live for their death. The filthy parasitical worthless Nazarene is worshipped - torn, ragged, beaten and bled dry. Deader than a doornail. DEATH. Every mass/church service focuses on the death of that Nazarene. Then, of course the cannibalism "Eat me" "Drink me, " as this creates the necessary ties for Jewish ritual murder to succeed where they take an abducted Gentile child into a secret back room of a synagogue and proceed to butcher him/her after tying him/her to a cross in simulation of that Nazarene and then drink his/her blood. The foundation for this is in Deuteronomy- the book of instructions on how to carry out living blood sacrifices. The Jews even openly claim it as such as to their Torah.

I have also written about poverty. Poverty is a world-wide serious problem that has resulted in the deaths of millions over the centuries and has ruined many lives.

Matthew 6:24

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

[MAMON (MAMMON): Mishnaic Hebrew and Aramaic for "riches." The word itself is given in the Sermon on the Mount.]

<http://www.jewishencyclopedia.com/articles/10339-mamon-mammon>

Also note the above scripture, the number 6 is emphasized again. 6 and the $2+4=6$. The Jews always use the number 6. Through this, they direct the energies into slave labor for Gentiles and of course, their own wealth, and riches. The Bible dupes Gentiles into accepting poverty and living for their death, while the Jews who created this work of degeneracy and filth know better. Wealth and power is concentrated in their hands.

Matthew 19:21-26

21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me.

22 But when the young man heard that saying, he went away sorrowful: for he had great possessions.

23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven.

24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God.

Mark 4:19

19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.

Proverbs 23: 4-5

4 Labour not to be rich: cease from thine own wisdom.

5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven.

Ecclesiastes 5:10

He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity.

Proverbs 11:4

Riches profit not in the day of wrath: but righteousness delivereth from death.

2 Corinthians 9:7

Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

Matthew 6:19-21

19 Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

The above is only a small sample of indoctrination into a lifetime of poverty. This in many cases persists into many lifetimes as it clings to the soul.

In the verse below, the suffering of innocent children is encouraged:

Matthew 19:14

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.

There was a man who both encouraged and participated the murdering of "witches." That man was reported to have read the "Holy Bible" some 53 times. It is no wonder he displayed a murderous bent. When one worships murder, one becomes a murderer.

Below is a sampling of the endless murders committed by Yahweh/Jehovah in the Bible. This is praised and extolled by Christians incessantly:

The above was taken from:

Dwindling in Unbelief

<http://dwindlinginunbelief.blogspot.com/2010/04/drunken-with-blood-gods-killings-in-bible.html>

The above website has many more examples. The listing I included in the above is very small.

There is no need to elaborate on war here. That filthy bible is full of wars, injustices, famine, endless savage cruelty, and a hatred for humanity. This is celebrated with hijacked Pagan holidays, singing for the damnation of humanity, worshipping, focusing, and giving copious amounts of energy into promoting suffering, loss, death, misery and pain. This is soooooo obvious. As I already mentioned, when doing some research for reverse torah rituals, the amount of direct curses aimed at humanity was so extensive I didn't even know where to begin and with Lilith's direction, picked out the most blatant ones and there were also plenty of those.

We are what we think about and dwell upon. This is where the mass mind has been for well over two thousand years. It is no wonder there is so much pain and suffering. There is your answer.

Re: Just when you thought Joooz couldn't be any DUMBER....

MY REPLY:

This thread implies that Jews are stupid. NEVER underestimate the enemy!!!! Yes, there are some stupid Jews, but not as a whole. These people are not stupid, not the ones who have had us Gentiles for the past 2,000 years. They are very clever at lying and deceiving. Many of the Jews have an IQ [level of intelligence] above the top 2% of the population. I saw this myself when I joined American Mensa [which is by invitation only after passing a supervised IQ test that proves your intelligence is in the top 2% or above of the population]. They had an orientation that was compulsory to attend. It was in the home of a Jewish couple for one and for another, out of some 30 people give or take, I was only one of three, maybe four Gentiles there. This is not to say that Gentiles are not intelligent. The IQs of Nazi leaders were way on top in the genius level and they were onto the Jewish problem. Many Jews are in professional occupations like law. They also know loopholes and brag openly about this and they are very deceptive to an extreme. Not to mention, at the upper levels they are organized and they have money and resources that would make a lot of people's eyes water.

In addition to this, the Jews call themselves "people of the book." There is a Jewish joke: "A Jewish drop out is a Jew who did not complete their PhD degree." The universities and colleges are loaded with them. While they push and indoctrinate the suicidal notion in that lethal bible, enforce on the populace enslaved under Jewish communism, that knowledge is something evil [the Serpent of Satan in the bible represents knowledge], they, themselves know it is the key to everything. For a slave state to exist and function, slaves must be ignorant. The word "ignorant" means "unknowing." It is a sad fact that there are some people here who have to have the word explained as I just did. I am not talking non-Americans either.

The average Gentile comes home, snaps on that TV set, goes to the fridge and takes out an ice cold beer, and then sits down in front of that TV for the rest of the night [many even eat their evening meals on TV trays], and watches PROGRAMS. YES, PROGRAMS AND FROM THESE PROGRAMS, THEY ARE PROGRAMMED.

I, myself place too much value and respect for my own time and mind to sit in front of some of the worst stupidity and waste hours at this. Not to mention the stupidity and blatant Jew-Communist programming is as far as my concern, not only totally unworthy of my precious time, but it is also sickening and boring to the extreme. So, ask yourself. what are you learning from this?? There ARE movies [DVDs] and such that can be educational, even those solely for entertainment. Those sitcoms, Jew run talk shows and related to me are nauseating. Wasted days and wasted nights. lead to a wasted life and a waste of a human being. The Jew dictates both directly and indirectly how you should

think, what you should and should not believe, how you should live your life and everything else. THEY PROGRAM YOU!!

Another blatant example. those of you who understand the workings of the mind and meditate enough to have the experience already are aware of just how one's thoughts, focus and attention are so sensitive. Just placing your awareness to 'feel' your aura and your chakras is very powerful. You can do this easily right now and you will see what I mean just how rapidly this manifests- just the smallest bit of focus, attention and awareness.

Just as the Jewish program of communism perpetually and most forcibly indoctrinates the populace [their victims] with endlessly repeated slogans enforcing blatant communist lies [the Jews have long been aware of the powers of the mind and soul, while systematically removing these from the Gentile populace with the programs of Christianity and Islam]; the very same is done with the "Holy Bible" being called "The Good Book." This is a very obvious example of the stupidity and ignorance of those who believe that SHIT! Never has there been such a horrific conglomeration of perverted, corrupted and stolen legends, concepts, literature and other crap and above all- ENDLESS CURSES AND I MEAN EXTREME CURSES AGAINST HUMANITY!!!!!!

IGNORANT people keep extolling and praising and giving their energies to this extreme negativity and its destructive forces. These are all aimed at destroying civilization and humanity as a whole. There was a time when our Gods had control over the earth and this was called the "Golden Age." It was a time of peace and prosperity for Gentile humanity. With enforcing of the Christian program, this was the REAL "Paradise Lost" and humanity has unfortunately degenerated ever since. Christianity, Islam and its Jewish root have taken a lethal toll and the world is now facing disaster. Yes, ignorance is bliss as the saying goes. Most people who spend hour after hour wasting their time in front of the TV set, playing endless games on the PC for hours and hours and engaging in other wastes of time are unaware of just how bad things are in the world. Some are so stupid they just don't even bother to care. Where would we all be here right now if Satan and the Powers of Hell didn't care? We would still all be fucking slaves back in the Dark Ages. I also know that Christians are subliminally PROGRAMMED to obsessively push Christianity. In this I am mainly referring to the fundamentalists and those who are steeped in the Christian energy.

Things are REALLY bad, such as the environment. What Jewish communism did to the environment has put a funeral wreath to hang over the entire earth. Whiling away the hours is what they WANT you to do. Be stupid, be unaware, don't bother so put any effort into developing your mind, don't put any effort into studying or learning. Just wait until it is all far too late to do anything. What the Jews have done and are now doing WILL EVENTUALLY EFFECT EVERYONE.

There is a wealth of information that everyone should be studying here. Satan represents knowledge. For those who are just too fucking lazy and unmotivated, JoS ministry and other very dedicated members have already done the work for you. Even the worst slum in the USA is a paradise compared to living under Jewish communism. Unbeknownst to many uninformed dolts who just don't bother to read, the USA is the number one target for a communist take-over. The USA is the last major power that still has some freedom and this is being rapidly destroyed. Our legal system, our law enforcement, our bill of rights and anything related to ensuring individual freedoms are being viciously attacked, undermined and if something isn't done will be eventually destroyed. Many talk the talk, but when reality hits, it is a different story. We are in a very dire situation. Few understand the tactics of communist take-over such as how the Jews destroy the law-enforcement, of which they are doing right now blatantly. The next step is total anarchy of which they enthusiastically promote and then when they get some real power in a country, such as they did in the former USSR, they go on a mass murder rampage. The police and related are usually the first in line to be murdered, along with the educated classes they label the "intelligentsia." No, for the dummies here, you don't have the right to a trial, nor does your family. You are just butchered, and everything you once had and owned is taken from you and now belongs to the Jew-run "State." This is another example of how they push their slogans. The word "people's" is analogous with communism. NO, NOTHING BELONGS TO THE "PEOPLE" IN REALITY. Everything becomes the property of the Jew-owned and run state. The Jews are very adept at inventing slogans that are outright total lies and perverting these and enforcing them as truths upon the populace.

When communism fails as it did in the early 1990's, the first thing they then do is to push the Christian program. Fundamentalist Christians are allowed into the victimized country in droves, the bible is then reinstated into the local languages, and churches and mosques are opened up and again running. This puts the entire nation back at square one again, under Jewish spiritual control. As I have stated repeatedly, but will again, the bible is the foundation for Jewish communism. When it has done its job and a nation falls to Jewish communism, the bible, the churches and the mosques are no longer needed and all of the stolen materials they used that were hijacked and corrupted from Pagan religions around the world are then done away with, ensuring the ENTIRE memory is gone. If this fails, as I already wrote in the above, they revert right back to using the bible again. This way, the spiritual energies of the populace are under their direct control. The Jews have survived as they have because like that foul Nazarene character, they mutate like a virus. They mutate and adapt to the current times, but they never change in character, nor does their goal of enslaving the entire world. A communist state is a slave state. Christianity and Islam, while pushing the slogans of "freedom" "peace" "equality" and "brotherhood" are in truth, the total opposites.

SATAN IS FREEDOM, SATAN STANDS FOR FREEDOM, AND SATAN STANDS FOR TRUTH, LIBERATION, AND INDIVIDUAL RIGHTS.

Below is a list of JoS and affiliated websites that have a very large number of pdfs available for absolutely free. Many of us have put in years of our time in serious study, creating these works and websites in the service of Satan. We do this because we care. Not only do we work for Satan and the Powers of Hell, we strongly support and believe in Satan's plans for this world.

How many Gentiles have ever received any compensation?

The article below is truly appalling to say the least and unfortunately is one of many over the years. That entire HOLOCO\$T was phony.

http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html

For those of you who are new here, or not onto that scam.

How many Gentiles have received any compensation??????? How many Gentiles endured the worst brutality imaginable under the Jewish communist regimes? How many Gentiles were systematically worked to death in Jewish run slave labor/death camps like Kolyma? How many people have heard of Kolyma? But, everyone hears the kike whining about Auschwitz, Treblinka, Dachau, etc., endlessly.

http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm

Many of the victims of communism never even made it to the slave labor camps. They either died being tortured for crimes they never committed or died in transport, going in some cases weeks without any food. Who has ever compensated these people? Their families? Their systematically being worked to DEATH LITERALLY. NO ONE VICTIMIZED BY JEWISH COMMUNISM HAS EVER GOTTEN ANY COMPENSATION!! Over 100+ million Gentile lives have been totally destroyed under Jewish communism [of which has its foundation in the Judeo/Christian bible].

The article below reveals the Jewish supremacy. Also note the emphasis again on their number 6 with the "60 million" in the second paragraph below in the article. Not only are the few remaining kikes [most are dead from old age] on the doles, but also their families and descendants. We Gentiles have to support these rotten parasites. I just replied to a personal e-mail within the ministry regarding how years ago, I was standing and waiting for a bus in the ice cold rain and watched a Jewish funeral procession go by. ALL of the cars totaling some 25 give or take were ALL BRAND NEW. YOU PAY FOR THIS!

In addition, just how many military veterans such as those who fought in the Viet Nam War against the communist vermin have ever really gotten any reparations or compensation? The death toll from communist mass murder in SE Asia was in the tens of millions. Those who fought against communism in Viet Nam were vehemently attacked by the Jewish controlled press here in the USA and other parts of the world. This is just one. There have been continuous wars where nations fought against this Jewish pestilence. No amount of money or so-called "compensation/reparations" can ever satisfy Jewish greed.

By performing the ritual [this ritual will be ongoing through the 20th of December], we can put a stop to this. You can do the ritual at any time between those dates and as many times as you are able to.

Another ritual that can be performed at any time:

Unless we all work to take a stand against this most vicious, vile and completely rotten parasitical race, this kind of major injustice will continue on. Right now we have a chance. Don't waste this opportunity!

US, France strike deal over SNCF role in the Holocaust

American Holocaust survivors who were deported to death camps by the French state rail operator, SNCF, are to receive compensation. A joint US-France fund has been agreed following lengthy negotiations.

Hundreds of Holocaust survivors who were deported to death camps by France's state rail company, SNCF, during the Nazi occupation will be entitled to compensation from a \$60 million (49-million-euro) US-French fund.

The breakthrough followed at least two years of negotiations. Thousands of people could be eligible for compensation, including nationals of Israel, Canada and the United States. The announcement on Friday was part of a deal that would see Washington work to end lawsuits and other compensation claims in US courts against SNCF.

The French state-owned company had been bidding for lucrative high-speed rail and other contracts in US markets. However, some state legislators had sought to block SNCF because of its involvement in the Holocaust. The French Foreign Ministry and US State Department jointly announced the accord for the compensation fund, which will be financed by Paris and managed by the US.

Paris had already paid more than \$6 billion in compensation to French citizens and certain other deportees. The new fund will also provide money for thousands of spouses or descendants of Holocaust deportees who have since died. SNCF transported around 76,000 French Jews to Nazi concentration camps, though experts still disagree on the state rail operator's degree of guilt. Only 3,000 survived.

The company argued that it had no effective control over its rail operations during the Nazi occupation from 1940 to 1944.

The French parliament will have to authorize each application for the Holocaust compensation, which could take months to be processed.

We have to keep fighting. Xians tie into aggressive energies that compel them to attack anyone who does not support their lies. They are not only online promoting and pushing their lies, but they are also everywhere else. Hospitals, drug and alcohol addiction programs, prisons. it is endless. Nearly everything is infested with the lies of xianity. If they take your account down, then get a new one and get right back on there. If you run into any real serious problems, then ask Satan and Demons will help you. We must fight for our spiritual freedom. There is no backing down or turning the other cheek. Unless we continue to fight, the enemy will win and this earth and everything in it will be doomed. Xianity and the idiots who push this anti-life human-hating alien program need to be destroyed.

Quote from the Black Book of Communism: Crimes, Terror, Repression, C 1999 Harvard Press:

"The main difference between the Soviet camps and detention camps in the rest of the world is not their huge, unimaginable size or the murderous conditions found there, but something else altogether. It's the need to tell an endless series of lies to save your own life, to lie every day, to wear a mask for years and never say what you really think. In Soviet Russia, free citizens have to do the same thing. Dissembling and lies become the only means of defense. Public meetings, business meetings, encounters on the street, conversations, even posters on the wall all get wrapped up in an official language that doesn't contain a single word of truth. People in the West can't possibly understand what it is really like to lose the right to say what you think for years on end, and the way you have to repress the tiniest "illegal" thought you might have and stay silent as the tomb. That sort of pressure breaks something inside people."

During the Middle Ages when the Xian church had total control, the above was "heresy" and the same applied. Those who refused to accept the Jewish dictated belief system were tortured and murdered. Everyone should know about the "Inquisition" where the Catholic Church tortured and mass-murdered innocent people in the millions. Refusal to accept the Jewish dictatorship is rebellion and "rebellion" is of Satan.

The Jews dictate to us Gentiles how we supposedly got here, how the Jews are the special "Chosen of God" and how we are to live. This foul and malignant filth must go. Xianity has thrived because of illiteracy, ignorance and of course, indoctrination and the followers/victims being under a powerful spell. It is time for us to break that spell and wake up the world before it is too late.

We have the numbers. JoS members are in the tens of thousands. We need to fight this vermin every single day. The JoS ministry fights the enemy every single day, both on and offline.

The Jew has nearly every aspect of the life of the populace programmed. Take that Jew tube TV. The Jew chooses the programs you will watch if you tune into regular television, the content of those programs and everything else. Too many idiots out there are like zombies in the way they just follow along. Then, the media. The Jew chooses the content of the newspapers and also the content of most high profile news reporting. Permissible opinions and reporting only. Thanks to the internet, we can read from alternative sources.

In closing, I would like to add something here. I came across this, but it is quite old. <https://www.youtube.com/watch?v=mUt7P55DIRc>

The video is a little over 4 minutes in length. Former US President Jimmy Carter denounces Israel. He also stands up to the Jewish interviewer who tries to side-step the issue.

The Jews always strive to take control. They then resort to bullying, threats and then torture and murder when their demands are not met. Xianity and Islam are programs as we know, for Gentiles to keep putting their spiritual energies into advancing the agenda of the Jews and seeing to it that the Jews always succeed in getting their way. Unless we fight back incessantly and relentlessly, this ugly situation will continue on.

<http://www.infowars.com/isis-attacks-archaeological-site-at-nimrud/> is reporting that ISIS (created by the NATO)

<http://presstv.com/detail/2014/08/24/376396/nato-behind-creation-of-isis/> which is Jewish controlled <http://www.realjewnews.com/?p=962> is destroying an archaeological site in Iraq. Remember that the area of Iraq is where the civilization of the Sumerians originated. <https://en.wikipedia.org/wiki/Sumer> Imagine the historical significance and the artifacts, archaeological sites that this area contains. (The full article is quoted at the end of the post)

These are my thoughts, triggered by reading the mentioned article.

Think about it.

The jews have tried to erase our original heritage and have tried to replace it with xianity, islam, communism and all their bullshit creations. They tried to strip our past in order to remove the knowledge and weaken us. They are trying to remove the knowledge by killing people who have the knowledge, by destroying books, artifacts and archaeological sites. And this makes it more difficult for us Gentiles to prove that all the filthy jewish created bullshit are wrong. We know that they are wrong, we feel it inside us, and we express it with our whole being. But, our brothers and sisters who are without wouldn't be able to see it. They would like to see some proof to start thinking. They are brainwashed by the jewish programs and they would have to see some hard evidence to awaken from this brainwash.

If the jews continue to destroy our past through their funded wars, in a few centuries all evidence would be a part of imagination. What we know as hard facts and are supported by evidence, in a few centuries would become "myths" and "fairytales" for the next generations. The knowledge would be removed from the physical level.

This knowledge though wouldn't be lost. It would remain in the Akashic Records <http://www.crystalinks.com/akashicrecords.html> and in the knowledge of our Gods. But it would be a lot harder to obtain. Because as most of us know communicating to our Gods through telepathy is not an easy task. The same goes for obtaining access to the Akashic records. The person needs to have trained and honed these skills in order to reliably obtain any information this way.

This is the reason, that all of us who have been given the privilege to this knowledge (any part of knowledge) from our Gods, have to preserve it for the next generations. Write journals, write books, write articles, and write posts.

Those of you who can do this (and of course are allowed by the Gods to share this knowledge), share it with as many trustworthy people as you can. Share it with people that deserve this knowledge and would honor its value. If you are now allowed to share it write a "black book" or a "grimoire" and keep it in a safe place. This way the knowledge would remain on the physical plane. Most of us have come to the truth because we had an inner urge to find the truth. Because we were spiritual enough to see the lies of the jewish world. We were guided to some info that helped us realize the truth. We found Father Satan and the Gods of Hell because we "stumbled" to the JoS site.

Maybe a friend told us about it. Maybe the Gods have given us guidance. The result is the same. We "stumbled" upon the information. We read about it. We started trusting in our spiritual abilities. We started trusting that they are real. We started accepting this "invisible" reality. We obtained the knowledge. But everything started with information in the physical plane. A site, a book, a person with knowledge. So think about it. What could we do to help the Gods?

Imagine the possibilities.

What would happen if you write a book, a journal, a grimoire, a post on the internet. When you'd be long gone from the physical plane of this world, this information would remain. The Gods could direct a spiritual person to this information. To help this person get initiated in spirituality. To help this person and awaken him.

We are a generation of pioneers. We had to search for the truth, and we're still searching to obtain more of our lost knowledge. Each of us has it's own interests. Each of us has it's own special abilities. While we're training to advance ourselves and our abilities we obtain knowledge. We obtain knowledge by the Gods. We obtain practical knowledge by training.

This is valuable knowledge.

This is the knowledge that needs to be preserved.

This knowledge is our legacy for the next generations of our Gentile brothers and sisters.

Let's fight hard and become stronger.

Hail Father Satan and the Gods of Hell

Any of you who are new here, and/or still have lingering doubts, worries, and fears related to Christianity, Islam or related programs and their lies- you really need to read the article below my reply here and visit

http://see_the_truth.webs.com/Destroying_Our_Past.htm

Look at what the bible really is. From beginning to end, it is a FICTITIOUS HISTORY and nothing more. There is NOTHING SPIRITUAL about it! This is why it has not only conflicted with the sciences, especially paleontology [historical geology], astronomy and all of the others, but has also vehemently attacked and held the sciences back for centuries. I remember when I was a very young girl, 6 or 7 years old, being indoctrinated with that Christian filth, I actually believed this was how we all got here, etc. A few years later when I was pre-teen, I began to think for myself. Sadly, there are many adults who still believe these Jewish lies about how humanity got here as dictated in that nefarious bible which is and always has been a lethal plague on humanity.

Beginning in Genesis, the Jews TELL us all how we were "created" by their so-called "God" and how we got here and all these rotten lies. The Jews believing they themselves are "God" feel they have a right to DICTATE to everyone how

we Gentiles are to think, what we can and cannot believe, and all sorts of other things that not only make our lives miserable, but are also very anti-life. Many scholars have wasted centuries and centuries researching that most worthless character jewsus who never existed. Just realize the endless time and wasted energy directed at combating these nefarious kosher programs. Imagine how far humanity would be if time and energy were not wasted on combating this filth. The arts, music, and nearly everything else was hijacked and directed to promoting and perpetuating these Jewish programs. For centuries as can be seen in the arts and music, those who didn't comply were harshly punished and in many cases, murdered as "heretics" by the Christian Church. Jewish communism did exactly the very same thing. All of the arts, music and related had to promote communism.

Always remember, the Jews take control of both opposing sides and work both opposing sides to their agenda. For example, Jewish Israel openly "allied" with the USA and the so-called "Free World." The Jewish controlled former USSR would always take up for and support the countries that were openly against Israel. To most people, this is very deceiving. The USSR always took the side of any country such as the Arab countries that were against Israel. BUT, when arming the Arab countries, the Arab countries received inferior weapons and other problems from the USSR that worked to undermine them. All the while most of the world was confused and actually believed the USSR was hostile to Israel, which was a lie. In addition to all of this, no different from their invented Nazarene, they are like chameleons in that they always change in a way and adapt their programs for the times. That rotten bible, because it has so many contradictions and endless verses that can be applied to practically any situation at any time, both for and against, survives because of this adaptation, though the Jews themselves never change in their character, nor in their agenda. Xian preachers can take whatever verses they please and apply them to any situation to suit their evil purposes. That bible was written in typical Jewish style in that like the Jews themselves, it can change itself to fit anything:

The Ubiquitous Nazarene

The Nazarene is made up of nothing but stolen legends, stolen identities and a bunch of meaningless, worthless hypocritical and contradictory teachings. I don't think there has been a character in all of history that is as fictitious as this Nazarene idiot, and because he is a lie, he can change according to the times. He was invented to be nothing more than a distraction for the masses, with the intention of removing all spiritual knowledge and power from the populace and placing it in the hands of a controlling few to the detriment of the all. Christianity has survived because it always adapted to the times, just as it is doing today. The Christian church finally admitted insidiously that the Earth is not flat. If they hadn't, they would have never survived. That is just one of numerous examples. Now, the Nazarene has put on a New Age face. The teachings of the Original

Gods and ancient knowledge are all of a sudden attributed to the Nazarene. This is whether they come from Egypt [Some double-digit I.Q. individuals have the stupidity to claim he was a "pharaoh."]

In the 1960's and 70's, he was the ideal hippie. Now he is the great teacher of this new age crap and the "threefold" joke, which of course includes those nefarious angels and Judeo/Christian mysticism. During the crusades, he was the Christian warrior, leading the Christian armies to slaughter everyone in their path- "Onward Christian Soldiers." With Islam, he still exists, but this time, as not the "Son of God" but as a prophet. He seems to be everywhere and conforms to every trend, and every culture. Just slap the ragged poor professional victim on two crossed sticks of wood and there he is. The only thing that *is* real concerning this ubiquitous clown is the suicidal teachings designed to turn the whole of society into malleable slaves. The underlying message never changes.

This is analogous to a harmless looking rodent that brings in lethal parasites that infest the locale like what happened with the Bubonic Plague of the Middle Ages. Because he is fictitious, he can be made into whatever they please as long as it is done insidiously. He can be anything at any time and anywhere. On the one hand, he is celibate and the "Son of God." On the other hand, in order to adapt with the sexual openness of today, he now has sexual relations with Mary Magdalene. Because new knowledge has come from the Far East, of course, he was there from age "13 until 30," as there is no written record so they can make up anything they wish. This way, they can attribute a lot of the Eastern teachings to him and claim "the all is one." Yeah, the "all is one" until someone mentions "Satan" and either there is denial or defensiveness out of these jokers. Because homosexuality is becoming more open, now parts of the gospel of St. John, which were conveniently deleted, claim he had sexual intercourse another male. He can be anything at anytime and anywhere. The Nazarene never gave any direct answers to anything. This way, any bible thumper is free to quote here and there, as they see fit. His parables fit any situation at any time and say nothing. They can be interpreted 100 different ways. Just put him on a stick and start pounding away!

That bible is no "Word of God." I already wrote a detailed sermon regarding the so-called "biblical prophecies" and how the Jews put these into action a very long time ago. Anyone can do this sort of thing. In addition to the sciences being relentlessly and most viciously attacked over the centuries, it has been the very same and even worse with witchcraft. Most of you also know that when science advances far enough, all of the so-called occult can be scientifically explained. It is a sad fact that aside from stupid deluded idiots, fear is a major factor in keeping those Jewish programs thriving, no different from the terrors of Jewish communism. Both of which have mass-murdered, tortured, and destroyed billions of lives with their wars, their "purgues" and their direct attacks on those who sought after and stood for the truth.

Right now, we have a chance to really get out from under this hideous and most lethal plague. We have the internet. Do your part in waking people up. There are many different ways. If you are not able to reveal yourself for important reasons, then go to Satan and ask him what you can do. I am aware that not everyone is able to be open, but that does not mean you do nothing. There is always something. Satan will show you what you can do. This may come as an idea, an opportunity, or other. Demons will work with you. We must fight for our freedom NOW and relentlessly or we will all be forever enslaved! A hero only dies once. a coward dies a thousand times.

MY REPLY:

I already replied to a post on this, but another thing I want to add here. When I was very new to Satanism, one of the things our Gods impressed upon me was they did not want humanity to "forget them." In other words, not know they ever existed. I wrote my best at the time in the Demons' section of the JoS and how our people should promote our Gods in any way they can. IN songs, art work, band names and other things I suggested at that time in return for favors granted to us from our Gods.

Jehovah's Witnesses have take steps in eliminating all of the holidays such as Xmas and Easter, even celebrating one's birthday. This is because all of these holidays, as they will openly admit are Pagan. Other fundamentalist xian sects [xian = Christian for those who are new here] work to remove all of the Pagan celebrations and traditions from these holidays and replace them with that scumbag Nazarene; attacking Santa Claus, gift-giving, Easter Eggs, the Easter Bunny etc. There are even xian placards that state "Easter is not about the Easter Bunny" for instance. Many are also deceived with the Jewish communist agenda that promotes atheism. Truth be known, communist countries are not all that harsh towards xianity and related Jewish filth. The end goal though is to remove all of the xian crap because it comes with the Pagan baggage. Xianity still has not completely disconnected itself from the STOLEN Pagan holidays, mala beads and many other things, as xianity has nothing of its own.

http://see_the_truth.webs.com/STOLEN_YEAR.htm

This here is exceptionally blatant. All of the truth and history is systematically being removed and replaced with lies, the most blatant ones being the Bible and the Koran. When all evidence is gone through deliberate destruction, the Jews are then at liberty to seal their agenda. An atheist knows nothing of spirituality and is helpless to fight back against forces he/she does not even believe to exist, let alone know how to. The Jews then become "God." Anyone who poses a serious threat is dealt with through their version of black magick; child sacrifice-Jewish ritual murder.

http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html

All evidence is destroyed and the Jews replace it all with their lies. Like I already wrote, the Bible is very blatant as is the Koran.

One of the most important messages I ever received from our Gods is "Never let them forget us." If we forget our True Gods and where we come from, then all is lost.

The Good News 15/March/2015

This should motivate dedicated warriors for Satan. The news report tries to soften some of this, but it is obvious the Catholic Church is rapidly crumbling. This now is the second pope that obviously cannot handle the pressure anymore and intends to resign. Used to be the Catholic popes were appointed for life. Not anymore. This most foul, corrupt, and murderous institution is in its last days. Never weaken in your resolve. Never underestimate your presence online and anything else you do for Satan and our Gods. It has and is taking its toll on the enemy. The Catholic Church is the original Christian church. It is the root of Christianity. We are taking it down. We must be relentless and like a battering ram. Never stop until the enemy is COMPLETELY destroyed in every way. When the Catholic root is gone, it won't be long before the rest- the Protestants will also collapse.

Pope Francis says may follow Benedict into retirement

Francis says he could leave his job as pope after about three more years. The bombshell came in an interview with Mexico's Televisa broadcast Friday, the second anniversary of his election as pope.

Francis told Mexico's Televisa that he believed he would remain pope a bit longer and then resign, as his predecessor had. In February 2013, Benedict XVI became the first pope to resign in almost 600 years.

"I have the feeling that the Lord has put me here for something short, not more," Francis told Televisa in the interview aired on Friday, the second anniversary of his election as pope. "Four or five years," he added. "Or maybe two or three. Well, two have already gone."

Francis said he opposed a fixed retirement age of 80 for popes. As it is, Francis presents his 78 years relatively youthfully. However, he said he preferred to keep his options open - and praised his predecessor for having made retirement an option again. Francis also said he visited and spoke by telephone to Benedict, who lives a monastic life in a former convent inside the Vatican.

"I am in favor of what Benedict did," Francis told Televisa. "I think what Benedict so courageously did was to open the door to the popes emeritus," he added. "Benedict should not be considered an exception, but an institution."

Francis, who met with German Chancellor Angela Merkel in February, said he missed the relative anonymity he had enjoyed in his pre-pope days as a bishop in Argentina: "In Buenos Aires, I was an alleycat," he said of his ability to walk the streets undisturbed.

Satanism & Sexuality

I need to make another repeated statement here. Just as I have been typing out "Christian/ity" as many who are new do not know what xian/ity means. The most important thing here is so that everyone fully understands.

Any and ALL consenting sex is fine in Satanism. Satan doesn't care about, nor is he interested in your sex life. In Satanism, your body is not the piece of property of some spook out there. You own your body, not some stupid envious spook. I came across an e-mail a few days ago where a member asked if it was ok to remain a virgin. The member was comfortable with this. YES. No one is ever forced to do anything he/she is not comfortable with, or does not fully consent to.

Heterosexual, gay, bi-sexual, a-sexual, group sex, orgies, fetishes. as long as everyone involved is consenting, anything goes.

I just want to add for people here who are unaware, the Jews work relentlessly to try to destroy any and all sexual freedoms. They take control of both opposing sides and work both sides to their communist agenda. This is very blatant with the Gay Rights movement, of which High Priest Jake Carlson [who is gay], has exposed.

http://web.archive.org/web/20130411154310/http://gbt.webs.com/Enemy_Control.htm

On the one side, the Jews who have total control push for Gay Rights real hard and on the other; they control the Christians and inflame them. The final goal of the Jews is a return to Old Testament laws as was in the communist countries, such as the former USSR, to where any sex outside of marriage was a crime, and if even suspected, anyone involved was severely punished. The Jews also work overtime with the media to try to ruin sex with pushing it incessantly [hoping for a backlash to the Old Testament], and doing other things to cause problems in the minds of the populace. The Jews work to destroy anything and everything that is good for and that advances humanity in order to return the entire world into the slave state that it was during the Middle Ages. Look how they have been working to ruin the internet by trying to get control of it and outlaw free speech. Science has been vehemently attacked for centuries in order to perpetuate the false Jewish history in the bible and to keep humanity enslaved.

I also want to add there is a Jewish anti-communism organization and of course, this is another tactic of trying to deceive Gentiles and work the anti-communist side towards the Jewish communist agenda, so do not be fooled. They always take control of both opposing sides and work both to their communist/biblical agenda of enslaving the world.

In closing, I also want to add that the sexually frustrated Christians always hype concerning sexually transmitted diseases and such: being "God's punishment"

and similar crap. In truth, it is a lot easier to catch all kinds of diseases from just breathing, touching something, etc. Most STDs can be controlled through the use of condoms and so forth. I am just stating this here so people are not duped into falling for that Christian idiocy.

To have sex, to not have sex, how you have sex, with whom you have sex. Satan is not concerned. ALL consenting sex in Satanism is fine. Never is anyone forced into doing anything he/she is not fully consenting to or may be unsure or uncomfortable with.

The ONLY thing in Satanism that is strongly encouraged is consistent meditation. Satan does not want, nor does he need slavish worship.

The foundation of Satanism is that of becoming a god and only through working on your soul, through consistent meditation can you do this.

Re: Prime Minister of Israel calls all Jews "home"

MY REPLY:

There is another side to this:

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

. Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

Someone mentioned to me, regarding this . since Israel is allied with the USA, Russia, and China, all the superpowers that have nuclear capabilities, and they actively manipulate these countries, they feel they have nothing to fear. Now, those of you who are fully onto the Jews and their tacticsõ vicious exploitationõ why would this kike leader asshole want all of the Jews out of Europe? They obviously have plans for Europe.

The Jews plan way ahead and they also work their blood sacrifices and ritual murders with the Christian energies to bring certain events about.

As I wrote before, they are not stupid.

Many people really underestimate the Jews. Much of this is because most Gentiles do not have that kind of sick depravity and malice. Gentiles do not think the same way the Jews do. Everything they do, they do for a sinister reason. Something is in the future and this will not be pleasant. Satan has given this knowledge to many people here, especially the ministry in regards to a future world crisis. It is obvious. Netanyahu wouldn't be doing this unless of course he and the other top kikes have something planned and they know the Jews will be safe in Israel. This tells me Europe won't be safe.

%Most European capitals are targets for our air force.+

Look to the above quote again. With the internet, the anti-Semitism is world-wide. This is not limited to us Spiritual Satanists; it is within all kinds of different groups, nations, and sects. If you have been following articles posted on the JoS forums and e-groups, you are more than likely aware of news articles we posted regarding how different Jews were admitting defeat due to exposure on the internet. Given this malignant virus of a race has survived as long as they have,

both racially and intact in nefarious character indicates a high level of sinister intelligence. You can bet they have some real and lethal plans.

After this was explained to me, that is my own opinion.

Also, the planets haven't been right for this, as Mercury was retrograde and now Jupiter is a bit off, but I will be posting more reverse torah rituals. Those seemed to really be doing their job. I will post the rituals a few days in advance before we do them as a group. Lilith works with me on the dates and the selected verses. We will win in the end. The future after this spring looks very grim for Israel in spite of everything.

Netanyahu urges European Jews to move to Israel after Denmark attacks

Israeli Prime Minister Benjamin Netanyahu has called for a "mass immigration" of European Jews. His announcement followed two fatal attacks in Denmark in which one Jewish man was shot dead near a synagogue.

http://www.dw.de/netanyahu-urges-european-jews-to-move-to-israel-after-denmark-attacks/a-18259226?maca=en-newsletter_en_Newsline-2356-html-newsletter##

Israel Benjamin Netanyahu Porträt 21. Dez. 2014

Netanyahu made a plea to Europe's Jewish population on Sunday, saying that Israel is their "home."

"To the Jews of Europe and to the Jews of the world I say that Israel is waiting for you with open arms," Netanyahu said in a statement.

"Extremist Islamic terrorism has struck Europe again ... Jews have been murdered again on European soil only because they were Jews," he added.

Netanyahu, who is currently campaigning for the Israeli general election on March 17, said his government planned to adopt 39.5 million euro (\$45 million) plan "to encourage the absorption of immigrants from France, Belgium and Ukraine."

The Israeli prime minister made a similar call last month following the bloody attacks by Islamist extremists in Paris in which 17 people died. Among the victims were four Jews who were killed during a police commando raid on the Kosher supermarket where they were being held hostage. Their bodies were later flown to Israel where they were buried.

Netanyahu's comments were seemingly rebuffed by French President Francois Hollande, however, who vowed to combat the

6 "unbearable" rising anti-Semitism in France.

"You, French people of the Jewish faith, your place is here, in your home. France is your country," Hollande told France's Jewish community.

Less than a month later, however,

Hell's Army 666 Webpages

The Hell's Army webpages are back up and running. All links within have been updated and should be working:

http://hailtosatansvictory666.angelfire.com/Hells_Army_666.html

I apologize for not having updated this section of the JoS website. Please understand, we are small staffed, the Gods of Hell keep heaping more work onto us, as things are in the critical stage and urgent. We also have plenty of daily personal chores and such to tend to. No one who is truly dedicated to Satan has much free time.

More reverse torah rituals will be forthcoming. I also want to add that we Gentiles drastically outnumber the Jews. There is strength in numbers. The important thing is to educate people who have a mind that is open enough to hear and accept the truth. Get people away from the Christian and Islam programs. If enough Gentiles would unite in spiritual warfare, awareness of the hoaxes and the lies that have been force-fed to our peoples and nations, Jewish powers would collapse within a very short time. They are the root. Just as Reinhard Heydrich stated: "With the Jews out of the way, many problems take care of themselves."

The constant focus on, tying into the energy of and the giving of energy to such hideous, destructive and total negativity. Christianity, Islam and Judaism, has resulted in centuries of destruction for the human race and nearly every other species of the world. It is now reaching a serious critical stage. The earth is trashed, many innocent animals are extinct, many areas have little or no drinkable water [the Jew exploits this as he can now rake in more money by charging for bottle water, which has become a necessity]. Jewish communism REALLY did a job on the environment. Few people have any real idea just how bad and critical this is. Society as a whole is psychologically disturbed and worse. This is where the Jewish programs of Christianity, Islam and communism have gotten everyone. Parts of Europe and Asia are total garbage dumps and there are areas where once edible mushrooms, berries, etc., now glow at night from radiation from the Chernobyl accident which was communist negligence [the Jew has always been too cheap to have to spend anything for increased safety for their "workers" which in reality are slaves that are brutalized. The former USSR has buried all kinds of nuclear and toxic waste in countries such as Uzbekistan and Kazakhstan. Poland, Ukraine, Belarus, and other nations that were once under communist control have been left with toxic waste dumps, filthy polluted rivers and lakes and other health and life threatening toxic filth. Our oceans are also to where much of the aquatic life therein is in many cases close to extinction and/or heavily contaminated.

Most places are unable to clean up communism's leftovers. The pollution continues, as having to spend a bit of extra money from a budget of trillions of dollars to properly dispose of this toxic waste and deadly filth is too much to ask the Jew. Jews own and operate nearly all of these factories and related, which rake in trillions of dollars each year. Just do your research. This is world-wide. The endless smog and pollution of the air, if this is not attended to and cleaned up. The Jew will then be charging people for air.

Everything of civilization, the Jew has worked to corrupt and to destroy. It has reached the critical stage of "either" "or."

Islam...

The current news in Europe is now calling for ~~%~~more tolerance for Islam.+ Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come across in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from her abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. They put Islam behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if something is ~~%~~good+or ~~%~~evil+it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of Islam [Judaism is the root] is blamed upon men. The problem is NOT with ~~%~~men,+THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andrea Yates murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called ~~%~~religions+is how they induce not only total insanity, but also incite believers into committing the most extreme and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual ties into xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xian ministry. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually end up as perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 54 times. This affected him with influencing a murderous bent. This is not surprising given the intense focus on

murder, torture, rape and every other ugly thing that is the foundation of the Holy Bible.+

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: ~~%~~Souad Burned Alive.+

~~%~~When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and was punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family's clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year and many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed and to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are also victims of traditional violence."

http://www.goodreads.com/book/show/386990.Burned_Alive

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priestess Zildar also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at this time more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die.

What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being fabricated in order to make Islam look bad.+Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with and dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be fabricated.+ Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with clubs, or even worse. The enemy will do anything and everything to try to shift the blame and take the heat off of Islam as a religion. They also do this with xianity. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is quite common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an honor killing+and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank. She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe, where her life was saved and she was given treatment:

It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is marriage, leaving your father's house for your husband's, and not coming back, even if you are beaten. If she does return to her father's house, it is her family's duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain.+

A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked.+Souad also went on to reveal how her mother was pregnant 14 times and when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, and he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I get only more kicks. The girls and women were certainly beaten every day in the other houses too. You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, and back bent and in silence. You don't speak. You only speak in answer to a question. Our mother was often beaten just as we were. Sometimes she tried to intervene when my father beat us really viciously, and then he'd turn the blows on her, knocking her down and pulling her by her hair.

Every birth of a girl was like a burial in the family. It was always considered the mother's fault if she produced only girls. When my parents went to see my brother's wife at her parents' house, where she had taken refuge because she was pregnant and he had beaten her. It doesn't take much at all before a girl is seen by everyone as a *charmuta*, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.

It is the duty of the brother, the brother-in-law, or the uncle to preserve the family's honor. They have the right of life and death over their women. If the father or the mother says to the son: Your sister has sinned, you must kill her, he does it for the sake of honor and because it is the law.

Rarely did I see the police. It's nothing if a woman disappears, and the villagers agree with the men's law. If you don't kill a girl who has dishonored her family, the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. Assad was always angry and violent. He wasn't allowed to go to see his wife. She had gone directly to her parents' house when she left the hospital because he had beaten her too severely. But she returned to live with him anyway; it's the law.

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be married off to men in their 40s. IN addition to this, and I know this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, the man will leave without even looking at his wife and will say she is dirty! We don't remove hair from our legs or our underarms, only from the vulva.

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: We will have to wait for the moment when the husband will display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride's blood. It is a

special linen that is placed on the bed for the first night. And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she can produce a son. Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violet thighs, and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn't find out why he had beaten her. Sometimes its enough if the young bride doesn't know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water that's reason enough for a beating. %

In my village, we don't measure time the same way as in Europe. You never know exactly how old your father or mother is, you don't even know the date of your own birth. Time is calculated by Ramadan [Islamic month of fasting]. % prayed to God that night as usual. My parents were very religious, my mother went often to the mosque. +

After she was burned:

I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can see almost nothing, my chin is stuck to my chest, I can't raise it. I can't move my arms either. The pain is in my head, on my shoulders in my back and on my chest. +

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset humanity.

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, there is also copious praise for the Jews and for Israel:

The Cow

[2.40] O children of Israel! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and of Me, Me alone, should you be afraid.

[2.47] O children of Israel! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianity constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the populace is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed, know the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, various parts of Asia and other areas of other world.

"There are some who are putting women at risk. And doing so for ridiculous reasons, namely that they are somehow responsible for the abuse they are suffering." - Nazir Afzal, head of the Crown Prosecution Service, northwest England. A new documentary secretly filmed inside several of the 85 Islamic Sharia Law courts operating in Britain has exposed the systematic discrimination that many women are suffering at the hands of Muslim jurists.

In one case, the BBC secretly filmed proceedings at the Islamic Sharia Council in Leyton, a heavily Islamized area in east London. While there, a BBC reporter met Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the court case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." On its website, the Leyton Sharia Council writes: "Though the Council is not yet legally recognized by the authorities in the UK, the fact that it is already established, and is gradually gaining ground among the Muslim community, and the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the soundness of the Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them more prepared for the eventuality of recognition for Islamic law."

<http://www.gatestoneinstitute.org/3682/uk-sharia-courts>

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be tolerant and have this most vile of plagues that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Just take a long hard look at the photos on this website and see for yourself the REALITY OF WHAT ISLAM TRULY IS:

%Three months pregnant, Farzana Parveen was on her way to the courthouse to contest an abduction charge her family filed against her husband, Mohammad Iqbal. A group of nearly 20 family members, her father and brothers included, accosted the couple in front of the courthouse and tried to pull them apart. When Farzana resisted, they fatally beat her with batons and bricks from a nearby construction site.

Calling the murder an "honor killing," the victim's father is said to have proclaimed he killed his daughter because she had insulted the family by marrying without their consent.+

Only something truly evil and thoroughly depraved would corrupt and incite people to commit the lowest and most vile crimes such as these. Happy Satan's Personal Holiday and the Yule Season

This post is for new people. There is NOTHING Christian about "Christmas." As with everything else in the Christian program, spiritual concepts were hijacked, corrupted and transformed into fictitious Jewish characters, places and other related kosher crap for Gentiles to slavishly worship and above all, to create a powerful subliminal link to where Gentile spiritual energies are under the control of the Jews who are on top and know the truth about this; Gentile spiritual energies and even life force is channeled into promoting Jewish monetary wealth, Jewish success and Jewish prosperity. Here is more information concerning the Yule Season. If you are new to Satanism, please read. Wishing a Very Happy Yule Season to Everyone here.

There is a true and a false with nearly everything and one can see the glaring lie of Christianity in that everything in that foul program is and has been stolen from the original religions, and replaced with imposter characters, places, and rites where nothing spiritual is left. Another example is how fundamentalist Christians have been working to destroy the last Pagan/Satanic practices of the Yule Season and Winter Solstice, such as removing Santa Claus, the Yule tree, and other evidence that reveals the true origins of the Yule and replace them solely with the Nazarene and ilk. For more information and research, type in Jehovah's Witnesses into any internet search engine such as google.com and add 'Pagan holidays.' The information about this is extensive and proves beyond any doubt that these holidays have NOTHING WHATSOEVER TO DO WITH CHRISTIANITY.

The fictitious Nazarene has nothing to do with xmas. Xmas coincides with the Winter Solstice and the Yule season, the shortest day of the year. December 25th is the birth date of the Persian God Mithra, and the Roman Holiday of Saturnalias. The tree, the decorations, baking, gifts and celebrating have NOTHING to do with the Nazarene. These are carry-overs from original Pagan celebrations. The Yule tree is really symbolic of the human soul, with the trunk being representative of the spine, the branches, the 144,000 nadis [pathways of the vril/witchpower/chi], and the lights being symbolic of the nadis all lit up with Satan's Serpentine Energy. The star on top of the tree is representative of the risen Serpent of Satan.

YULE/WINTER SOLSTICE

December 22nd-23rd

Although the Solstice begins on the 21st-22nd of December, the 23rd is a very special Personal Day for Father. The Sun enters the sign of the Goat which represents Satan. The Night of December 22nd- the eve of December 23rd is the Highest Satanic Holy Night of the year. (This was dictated from him personally). It is the day after the longest night of the year. Again we look forward to beginnings, as the days will begin to get longer as the year goes on. This is a time for intense celebration and devotion to Lord Satan. Indulgence, decorating

the home, family celebrations and get-togethers. The Night of Dec. 22nd should be spent in dedication to Satan. This is an excellent time to focus on planning for the year. If one wishes to make personal resolutions this is a good time to do so.

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families. Gift giving, baking, decorating. This is what the TRUE Yule season is about, not that filthy worthless Nazarene.

The Yule season is a season of enjoyment, indulgence, and feasting.

- € Cooking
- € Baking
- € Gift giving
- € Decorating
- € Building snowmen
- € Winter sports in places where there is snow
- € Tree decorating
- € Blue lights in honor of Lucifer
- € Partying
- € Santa Claus for the kids
- € Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithras's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!! Celebrate and Indulge!!

HAIL SATAN!!

Jewish Man Caught Spray Painting Swastikas & Making "anti-Semitic" Threatening Phone Calls

This has been going on for a very long time, but thanks to the internet, it is being exposed. Over the years, rabbis have gotten caught painting swastikas on the outside of their synagogues so they can blame Nazis and whine about "hate," as they are professional "victims." This also includes threatening phone calls and related. The Jews themselves do this sort of thing to evoke sympathy and of course as always, benefits. This is no different from how they work relentlessly to promote Christianity and Islam.

We all know who controls Hollywood and the media worldwide.

The video linked below is 1:44 in length.
